April 1, 2010

Here we are again, and the **Memphis Fire Fighters Association** is gearing up for our *Annual Charity Golf Tournament*. We are glad to tell you that we will continue to donate the entire proceeds from this event to **The MED Fire Fighters Regional Burn Center**. With the help of our good friends at Outback Steakhouse, 1110 N. Germantown Pkwy, the Memphis Fire Fighters Association hopes to raise much needed assistance for a local resource that receives very little public recognition.

This year's tournament will be at **Memphis National Golf Club**, 10135 National Club Drive, in Collierville, TN. The format will be a 4-person scramble with a 1pm shotgun start, on Thursday, September the 2nd. A dinner, provided by Outback Steakhouse, will follow the tournament play. The Firefighters Regional Burn Center treats more than 300 patients annually and is the only one of its kind within a 150-mile radius of Memphis. The Burn Center is a 14-bed facility that has an outpatient clinic, surgical facilities, rehabilitation center, research division, and cutting edge burn care equipment. The Memphis Fire Fighters Association is proud to have such a resource here in Memphis. We feel it is our duty to help support the Firefighters Regional Burn Center, and we hope that you will join us in making sure that this incredible facility remains available to the community. Below, is a list of ways you can contribute to this event, please take the time to look them over and hopefully you can find a way to participate.
